***WATERFORD POLICE  
DEPT. TRAINING ROOM***

The Waterford Police Department plans to host its annual Citizen's Police Academy starting in February, 2017. The program is sponsored by the Waterford Rotary. This 11 week course allows participants to build relationships with police, ask questions and see the behind the scenes training and reasoning for how and why police do what they do. It also allows citizens to see the challenges police face on a daily basis.

In the past few sessions, members of the community have provided very high remarks for the program. It is an all volunteer program involving police, administrators, prosecutors and others from the community who present specific subjects each week. The following areas are covered in detail:

<i>History of Waterford Police</i>	<i>Use of Force</i>	<i>Firearms</i>
<i>Recruitment</i>	<i>K-9 Demo</i>	<i>Domestic Violence</i>
<i>Academy Life</i>	<i>DUI</i>	<i>Ride-along</i>
